

## **Tendering document V**

### **Documentation for Tender, Bid and Contract**

This documentation is used for invitation conducted by the Water Resources Agency, the Ministry of Economic Affairs (hereinafter referred to as the “Entity”) pursuant to the Government Procurement Act (hereinafter referred to as the “Act”), tendering by a supplier, and contract-signing by the Entity after award of contract. In the procedure of invitation, the Entity shall prepare tender documentation and fill out the invitation column for invitation. In the procedure of tendering, the supplier shall prepare tender and fill out the tendering column for tendering. After award, the Entity shall combine documents of invitation, tender, and award, and fill out the column for contract-signing. Sealed by the Entity on the contract column means the completion of contract-signing procedure with the winning tenderer. It is not necessary for this documentation to be signed or sealed by the winning tenderer after award of contract, and the date of contract sealed by the Entity is the date of contract-signing.
