**The Ministry of Mineral Resources, Petroleum,  
and Gas is pleased to invite you to attend  
the 5th annual gathering for the oil and gas sector:  
The Angola Oil and Gas Conference (AOG 2024).**

AOG 2024 is designed to bring experts and businesses together to help maximize the potential in the Angolan oil and gas sector. Over 60 leading entrepreneurs, executives, investors, academics, policy-makers, and government officials, will present in the program and help foster and facilitate innovative, creative, and collaborative business opportunities.

**Join us on 2-3 October in Luanda  
as we make great strides in the advancement of the  
Angolan oil and gas sector.**

*"This Angola Oil and Gas Conference is of great importance and is taking place at a moment when geopolitical cooperation is imperative towards promoting the development of oil and gas in Africa. Angola has always aspired to become a leading supplier of oil and gas to the global market while striving towards alleviating energy poverty in Africa."*

**H.E. João Manuel Gonçalves Lourenço**  
President of the Republic of Angola

## WHO SHOULD ATTEND?

- NOCs
- IOCs
- Government officials
- Investors and financiers
- Service companies
- Transportation and logistics companies
- Pipeline and storage companies
- Equipment and manufacturing companies
- Refining and processing companies
- Drilling and well-service companies
- Consultancy firms
- Petrochemical marketing companies
- Banks and insurance firms
- Legal firms
- Technology providers
- Academic institutions
- Trade associations
- Media

## WHAT'S NEW IN 2024?

- Senior leader 'In conversation with' sessions
- Pre-conference technical seminar day for engineers and scientists
- Doing business in Angola session
- Dedicated women's panel
- Technical sessions hosted on the exhibition floor
- Post-conference site visits
- Youth-led solution session
- TotalEnergies 100th Anniversary celebration

## EVENT AT A GLANCE

of uniting leaders and experts for Angola's oil and gas sector **30% international attendance**

**countries represented**

**sponsors and exhibiting companies**

**industry-elite speakers** delivering insights on new developments

**attendees**

## COUNTRIES INCLUDED

Algeria	Estonia	Nigeria	Switzerland
Angola	France	Norway	Tanzania
Argentina	Ghana	Portugal	The Netherlands
Austria	Italy	Republic of the Congo	Timor-Leste
Botswana	Kenya	Russia	Trinidad and Tobago
Brazil	Korea	Senegal	UAE
Canada	Kuwait	Sierra Leone	USA
DRC	Malawi	South Africa	United Kingdom
Denmark	Mozambique	South Sudan	Zambia
Equatorial Guinea	Namibia		

## TECHNOLOGY SHOWCASE EXHIBITION

**Exhibiting at Angola Oil and Gas is a great choice for businesses looking to expand their presence in the oil and gas industry.**

Connect with key organizations and partners, showcase products and services, and increase brand visibility. To learn about the strategic opportunities available to promote and raise industry awareness – and your business too contact us today!

## AN OVERVIEW OF ANGOLA'S OIL & GAS MARKET

Angola offers attractive opportunities for regional and foreign investors, with the country offering basins with proven petroleum systems, robust infrastructure and experienced personnel, and a continuous focus on contractual and fiscal stability. Ongoing regulatory adjustments and licensing rounds, in tandem with increased involvement of local enterprises, are set to fuel the country's oil and gas sector.

General Manager, Kassa

*"Legacy companies have been part of the Angolan oil and gas industry since the first discoveries offshore Malongo/Cabinda in the 1950s. Currently, Angola is one of the top two oil and gas producing countries in Sub-Saharan Africa, therefore it is critical for Baker Hughes to be present to support both the country as well as its global client base of major independent oil companies."*

**Ahmed Elbehery**, Vice President Sub Saharan  
Africa Oilfield Services, Baker Hughes, Kenya

**Nuno Catanas**  
Partner and Managing Director  
MC Jurist
