

**Presentation of the
“Uganda EU Business Insights in Agri-Tech and Sustainable Mining”
Uganda, Kampala, 13th February 2025**

**Please, join us for an online information session organised by the
Delegation of Uganda on the 4th December 2024 Time: 11:00 am -
12:30 pm CET**

We are pleased to invite you to this **information session** where the EUD Uganda will introduce the upcoming **Uganda EU Business Insights Conference** scheduled to take place in **Kampala on 13 February 2025**. This Conference will focus on two key sectors of strategic importance:

- **Agricultural Technology:** Innovative technologies, tools, and practices designed to enhance productivity, efficiency, sustainability, and profitability in agriculture. These solutions across the agricultural value chain have the potential to leverage Uganda’s significant agricultural capital based on its highly fertile ground.
- **Mining:** Highlighting the significant investment potential in Uganda’s mining sector and showcasing opportunities for collaboration and sustainable development.

Why Attend?

- Gain insights into the investment opportunities being showcased at the Conference.
- Network with stakeholders across Europe and Africa through matchmaking and B2B events
- Understand Uganda’s potential as a hub for investment in digital agriculture and mining.
- Present investment portfolios through pitching events to DFIs

Agenda Highlights:

- Overview of the Conference in Kampala.
- Sector-specific sessions on Digital Agriculture and Mining.
- Q&A with the organizers

We look forward to welcoming you to this informative session
