Join us for an **online event on 25 November 2020 from 9.00 CET (postponed from 3 November)**, organised by the British Embassy in Prague.

The UK Government's Border Protocol and Delivery Group will walk you through the steps you need to take in order to prepare for the new trading regime with the UK from 1 January 2021. The focus of the day will be on customs procedures, the import and export of goods, food, live animals, animal products and feed, and plants. It will also cover the impact on transport infrastructure around and beyond border points.

A final programme of the day will be circulated closer to the event date.

We are also working on securing English/Czech simultaneous interpretation, but cannot yet guarantee the event will be interpreted. We will confirm closer to the event date.
