

The 5th China-CEEC (Cangzhou) SME Cooperation Forum

INVITATION LETTER

Dear Chinese and foreign entrepreneurs,

We sincerely invite you to participate in the Fifth China-CEEC (Cangzhou) SME Cooperation Forum during November 13-14, 2023, in Cangzhou City, Hebei Province, China. The forum is sponsored by the Ministry of Industry and Information Technology of PRC and the People's Government of Hebei Province.

With the theme of "Expanding openness and cooperation for win-win development", the forum will invite relevant leaders, local authorities, chambers of commerce, universities, scientific research institutions, entrepreneurs from China and CEE countries. A series of activities including seminars, docking negotiations, project signing and innovation achievement exhibitions will be organized to gather resources, promote economic and trade cooperation, and to build an important platform for expanding cooperation or SMEs between China and CEEs.

Please find the enclosed schedule and return receipt. It would be highly appreciated if you could kindly send us the return receipt before November 6.

Looking forward to seeing you in Cangzhou City!
