

Dear Partner,

Invest Moldova Agency invites you to the 8th edition of “Moldova Business Week”, which will take place in Chisinau, Republic of Moldova, on 15-16 September 2022, starting at 11 a.m., at the Palace of the Republic (16, Maria Cebotari St.).

The event entitled “Moldova – a relocation destination and solution for the regional supply chain” will bring together local and international decision makers and experts from the country and abroad to identify the best opportunities and solutions for the repositioning of the Republic of Moldova at international level.

The war in Ukraine has led to a number of major economic changes, especially in the countries of the region. The Republic of Moldova has shown maximum flexibility and ability to adapt to the new context and has implemented a series of receptive policies, based on new information, aimed at responding quickly to the needs of the business environment and, especially, of investors.

The agenda of the event will include:

- 14 sessions to present the business climate in the country: economy, infrastructure, digitalization, banking system, renewable energy, etc.
- 10 G2B sessions with representatives of line ministries, government institutions and representatives of investment platforms
- 8 pitching sessions of Moldovan companies in the following sectors: IT, agrifood, BPO, fashion, electronic, creative, deeptech and start-ups
- Success stories of local and foreign companies in Moldova
- 10 B2B sessions with Moldovan sectoral associations representing strategic sectors.

We invite you to join the event by registering on www.mbw.md. We will appreciate if you share this invitation with the call to participate, to the local and international business community.

Together we can increase the visibility of the Republic of Moldova, for it to become an attractive destination to invest and grow businesses, building the foundation for new connections and opportunities for internationalization of local companies.

Respectfully yours,

Stelian Manic
