April 26th (TST) / April 27th (EDT), 2022

Curiosity Lab

Memorandum of Understanding (MOU)

For the matter of promoting the international cooperation on start-up exchanges by both parties, Startup Terrace (hereinafter referred to as "Party A") and Curiosity Lab (hereinafter referred to as "Party B") have entered into the agreement with the terms and conditions as follows:

Article 1 (Purpose of Cooperation)
This MOU shall be formulated by both Party A and Party B in order to promote international start-up exchanges and to cooperate in organizing related activities.

Article 2 (Areas of Cooperation)
Both Party A and Party B shall cooperate on the following matters:
1. Publicity and promotion on the official platform, announcing the partnership with the corporate identity on the official website and social media.
2. Network extension of cross-domain cooperation, facilitating cross-domain cooperation through introducing related industrial, academic and research organizations and networks.
3. Excessive linkage and exchange, providing resources for participation, publicity channels, start-up hub services, etc. upon the circumstances, on business opportunity matching, exchange activities, short-term residency, start-up courses, etc.
4. Reduction of the local investment environment, assisting foreign cooperation partners through information sharing of the local entrepreneurship, investment environment and start-up programs.

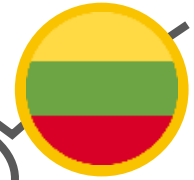

This MOU shall serve as proof of signing. After both Party A and Party B have signed this Memorandum, one copy thereof shall be held by each party for reference.
