

Welcome to Romania!

“The most beautiful road in the world”, one of the largest surfaces of natural forests, 7 UNESCO World Heritage Monuments, the second largest population of brown bears in Europe, the third largest building in the world, traditional villages, great culture, kind people, the Little Paris, beautiful women, natural wonders, historical cities, and the list may go on. This is only a small part of what Romania has to show to its visitors. So, welcome to Romania, the country which starts where the asphalt ends.

As we are an inbound tour-operator situated in Romania we are very glad to offer you program proposals with price offers and will gladly help you in the process of organizing and realizing perfect tours in Romania.

Through better concepts and because of our long experience in incoming tourism in Romania, we have rich and diverse programs. The programs include visits of different cultural objectives, the participation in events and festivals, visiting the villages and meeting the simple peasant families that still manage to keep the originality and traditions.

The programs and the offers of **Olimpic International Turism** are structured in an uncomplicated and easy going manner which will ensure you a stress free and memorable trip in Romania.

Our guides, well trained are speakers of the following languages: English, German, French, Spanish, Italian, Russian and Arabic. They accompany you or your groups from the first to the last day, taking care that your stay becomes an unforgettable one.

Due to our professionalism we have received a series of international recognitions from which we name: the *International Award for Tourism, Hotel and Catering Industry* , in Madrid in 1999; the *Arch of Europe for Quality and Image Award* in Paris in 2000; the *International Award for Excellence and Business Prestige & Quality*, in New York.

In 2014, Olimpic International Turism has been decorated by the state of Romania with the **“Order of Industrial and Commercial Merit” in rank of “Knight”** Award, in Bucharest.
