

COVER LETTER

Tanex Company is a 100% Romanian company with over 15 years experience as a manufacturer of garments and knitwear.

TANEX has a production capacity of more than 75,000 items per month, which involves the complexity and structure of products such as coats, parkas, jackets, pants, skirts, dresses, blouses, jackets and sweaters.

Tanex company has the most modern equipments (mostly automatic), able to deliver products at the highest quality level.

Among the equipments we have the following:

- Sewing linear machines, triploch machines, linear machines with two needles, invisible sewing machines, overloch machines, escamontabil needle machines, finished belt machines, chain sewing machines, uberdech, flatloch, fusing presses, ironing tables and steam presses;
- Special Electrical Machines: machines for passepoile sewing, zippi machines, zig zag machines, AMF machines, machines for buttons and buttonholes;
- Lectra system for construction and production of patterns;
- M1 Plus and Sirix software systems for Stoll flat knitting machines, finesse 12E, 7E and 5E.

Having a total area of 7500 square meters, our company can guarantee and satisfy all customers requirements through our services: sewing, knitting, construction and production of patterns and gradation, quality control, making embroidery, screen printing, pleating, industrial cleaning, painting, laser cutting, quilting, customizing products, local and international transportation.

Our clientele consists of chains, independent groups of acquisitions. Among them you can find familiar names like: Comptoir des Cotonniers, Morgan, Paul & Joe, APC, The Kooples, Sandro, Claudie Pierlot, Maje, A Jour Ailleurs, Tara Jarmon, Gerard Darel, Kaideen, Bonpoint, Oliver Grant, Luisa Spagnoli, Cepovett, North Sails, Batel, La Redoute, IRO, IKKS, One Step, from countries such as France, England, Italy, Ireland and so on.

95% of the products are our own luxury creation for the middle class, distinguished by elegance and average prices.

We also manufacture uniforms for companies with a large number of employees.

We invite everyone interested to pay a visit to our company.

To the extent that the market require a higher volume of products we can discuss the option of collaborating with a local company.

The contact person in our company is Mr. Adrian Bajenaru, who can be reached on mobile phone no. 0722 218 121 or e-mail: adrian.bajenaru@tanex.ro.

Correspondence please be done in English.

Company details can be found also on site www.tanex.ro
