

Discover Business Opportunities in Asia at AMPA 2026

Event Dates:

April 14.-17., 2026

Venue:

Taipei Nangang Exhibition Center (TaiNEX), Taipei, Taiwan

What's prepared for you:

- A place in the **Czech Pavilion**
- Exhibitor access to Taipei AMPA and its co-located shows (e.g., AutoTronics, 2035 E-Mobility Taiwan)
- Support with on-site B2B matchmaking

What you need to cover:

- Travel expenses and accommodation

Why Taipei AMPA?

Taipei AMPA is one of Asia's leading automotive, mobility, and aftermarket trade fairs, connecting companies across the global supply chain. It brings together manufacturers, distributors, OEM/ODM suppliers, technology providers, EV innovators, and smart mobility solution partners.

In 2025, Taipei AMPA and its co-events hosted over **1,300 exhibitors** and attracted **50,000+ professional visitors** from **100+ countries**, offering an exceptional platform for sourcing, partnership building, and technology scouting in the fast-growing Asia-Pacific mobility market.

In 2026, the fair will further expand its focus on:

- Electric vehicles & charging systems
- ADAS, sensors & smart mobility
- Connected car & telematics solutions
- Automotive parts, components & aftermarket services

Why participate?

CzechInvest and Czech Economic and Cultural Office invites Czech automotive, mobility, and technology companies to showcase their solutions within the Czech Pavilion at Taipei AMPA 2026.

- Connect with distributors, OEMs, Tier-1 and Tier-2 suppliers across Asia
- Explore opportunities in EV supply chain, electronics, automation, and software integration
- Present products and technologies to international buyers and partners
- Expand your professional network through targeted B2B meetings
