

CZECH–BELGIAN BUSINESS FORUM

25. 6. 2026 | 13.00–17.30 | Permanent Representation of
the Czech Republic to the EU, Rue Caroly 15, Brussels

How can Czech and Belgian companies strengthen their competitiveness in a rapidly changing European market?

The Czech–Belgian Business Forum will bring together businesses, institutions and innovation leaders from both countries to discuss new opportunities in industrial cooperation, advanced technologies and SME development. The forum will focus on key sectors including advanced manufacturing, AI, semiconductors, cybersecurity, defence, clean technologies and supply chain resilience. The programme will combine high-level panel discussions with practical networking, matchmaking and company presentations aimed at creating new business partnerships and supporting cross-border cooperation.

Programme:

- **13:00 – 13:15** | Opening remarks
- **13:15 – 14:15** | **SMEs, Industrial Cooperation and Supply Chain Integration** | *Speakers from Beci – Brussels Chamber of Commerce, AKT for Wallonia, Czech Confederation of Industry, Czech and Belgian SMEs*
- **14:15 – 14:30** | Coffee break & networking
- **14:30 – 15:30** | **Innovation, Technology and European Competitiveness** | *Speakers from IMEC, ARICOMA, Charles University, DG DIFIS and the European Parliament*
- **15:30 – 17:30** | **Networking, matchmaking & company presentations**

Participants include representatives of (as of 25 May 2026):
